

PDP SUMMER PROGRAM 2010

All Passion Dance Project students have a fabulous opportunity this summer to learn various dance styles and put on a grand performance! Dancers will take class two nights a week where they will learn a variety of dance techniques and prepare dances for our big show which will take place on August 7th. Each age group/level will have the 7 week session to perfect their portion of dances to perform for an audience. The theme for our Summer Production this year is "As Seen on TV". Students will be performing to theme songs from famous television shows.

Costumes: Dancers will pay a costume rental fee. Rather than buying all brand new costumes, the students will borrow costume items from the studio, but may also be required to purchase items of a certain color or type depending on their dances. Fees will depend on the dancer's level because each level will be performing a different number of dances.

Price: Students will pay a flat fee for their classes/rehearsals. Classes will not be split up by style, but by level. Each level will get the opportunity to work on all different dance techniques and styles in addition to learning their dances for the show. The tuition fees vary by dancer's level because each level will rehearse a different amount of hours per week.

Auditions/Measurements: ALL dancers will have the chance to participate in this fun summer show. There will be no exclusions. Dancers will audition on Tuesday June 15th to be placed into the appropriate level. They will also be measured for costumes on this day. The levels for this summer program run differently than our yearly class levels, so it is important for students to get the best "fit" possible. The only dancers who do NOT need to audition for places are level A students who are 3-4 years old. They will be in Level 1 for the summer. Please plan on having your child attend this audition and get fitted for their costumes.

Level Breakdown: Based on the June 15th auditions, dancers will be placed into one of four different levels/teams. Below is the breakdown of levels for the Summer Program.

Level 1 – Team Cartoon (A-B students) Consists of students who normally dance in levels A or B. Some level B students will be chosen at the audition to participate in Level 2.

Level 2 – Team Game Show (B-C students) Consists of dancers who normally dance in levels B or C. Level B students must audition into this level for summer.

Level 3 – Team Infomercial (C-2 students) Consists of dancers who normally dance in levels C, 1 or 2. Level C students must audition into this level for the summer.

Level 4 – Team Hi-Def (3-4 students) Consists of dancers who normally dance in levels 3-4.
